

**DEFENSELAYERS SOFTWARE
LICENSE TERMS
ATTACHMENT NO 2 TO THE TERMS OF SERVICE**

1. DEFINITIONS

- 1.1 **Client** – a person using Defenselayers Services according to the Terms of Service.
- 1.2 **License** – the authorization to use the Software as described in the License Terms.
- 1.3 **Software** – refers to: (i) a Copyrighted work allowing the use of containerized and configured operating environments by Defenselayers and other software tools supporting production, distribution and the use of computer software provided to the Client for download as a part of the Services provided by Defenselayers, this includes all updates developed and provided by Defenselayers. (ii) Defenselayers software forming complementary elements of safety for the container and the work described above, the property copyrights of which belong to Defenselayers, constituting the subject of this License.
- 1.4 **Defenselayers Portal** – refers to the Defenselayers website indicated in the Terms of Service.
- 1.5 **Copyright Act** – refers to the act of February 4th 1994 on copyright and related rights (Dz. U. 2019 poz. 1231)
- 1.6 **Terms of Service** – refers to the Defenselayers Terms of Service, to which the following License Terms are an attachment.
- 1.7 **Party** – refers to the Client or Defenselayers.
- 1.8 **License Terms** – refers to the following Software License Terms.

2. LICENSE

- 2.1 Defenselayers grant the Client an non-exclusive, territorially unlimited License for the use of the Software based on the provisions of these License Terms.
- 2.2 The Client is authorized to use the Licensed Software solely within the boundaries clearly indicated by the provisions of the License Terms.
- 2.3 The Licence authorizes the Client to:
 - (a) ta permanent or temporary replication of the Software in whole or in part through any means in any form;
 - (b) adjust or change the layout of the Software.
- 2.4 The License authorizes the Client to concurrently launch the container from its image in a number of copies indicated in the Order.
- 2.5 The activities listed in article 74.4.1 and 2 of Copyright Act outside the activities indicated in pt 2.2 above require Defenselayers' consent, even if they are required for the use of the Software in accordance to its purpose.
- 2.6 With the exception of the License Terms, the License does not grant any other rights related to absolute subjective rights to the Software as a Copyrighted work. In particular, the Client shall not:

- (a) translate, copy, make any other changes to the Software or take any steps towards reverse engineering the source code of the Software, reassemble it, decompile or redevelop it;
 - (b) rent, lease, sell or distribute the Software based on any legal relationship;
 - (c) divulge, publish or transfer the rights to the Software, or place security measures on them;
 - (d) give control over the Software to any third party, or use the Software on a third party's behalf.
- 2.7 Defenselayers retains all rights to the Software which haven't been explicitly transferred to the Client based on the License Terms..
- 2.8 Defenselayers confirms that the Software uses software and other works subject to copyright and third party licenses within permissible use. The conditions of these licenses shall be relayed to the Client during Software download.

3. INFRINGING LICENSE TERMS

- 3.1 Should the Client or the User infringe the License Terms, Defenselayers reserves the right to terminate the license without notice.
- 3.2 The Client undertakes to inform all Users authorized to use the Software about the applicable License Terms and will be responsible for ensuring that said terms are followed by such parties.

4. INTELLECTUAL PROPERTY RIGHTS

- 4.1 The Software and any copyrights, industrial property rights, company secrets and other intellectual property rights to the Software are protected under the appropriate provisions of the law in each jurisdiction, and remain the sole property of Defenselayers.
- 4.2 The Client undertakes not to register or apply for protection to trademarks or similar protection in any jurisdiction without Defenselayers' consent made in writing. This includes, in particular, commercial product identification, the name of the company and any other identification connected to Defenselayers or the Software, registered or unregistered, including the word "Defenselayers".

5. LIMITED WARRANTY AND EXCLUSION OF LIABILITY

- 5.1 **Limited warranty.** The Software may not operate correctly if: (i) the Software or its elements have been modified by a party other than Defenselayers (ii) the Software was used in a manner contrary to its documentation (iii) the Software is faulty due to damages or failures caused by misuse, accidents, negligence, force majeure, a failure or overload of the electrical network, or any other activity of third parties or the Client as well as reasons beyond Defenselayers' rational control.
- 5.2 **Disclaimer.** Defenselayers does not grant and excludes all explicit or assumed warranties, statements and assurances concerning the functioning of the Software, the validity and potential results of its use, including implied warranties arising out of trading, work or commercial use, including but not limited to statements as to commercial viability, quality, fitness for a particular purpose or system integrity. Without limiting the aforementioned, Defenselayers makes no representations, warranties, guarantees or representations that the operation of the Software will be faultless, uninterrupted, uninterrupted or compatible with third party software and that the Software will be free from errors or faults.

- 5.3 **Liability limitation.** Defenselayers assumes no responsibility for any losses or damages, direct or consequential, for loss, damage or destruction of data, loss of programs, profits, expected savings, earnings or the valuation of the company (direct or indirect) resulting or connected to access to the Software, availability of it or the use of the Software. In the scope permissible by law, the liability of Defenselayers based on warranty and benefits lost is excluded. The total liability of Defenselayers towards the Client stemming from the realization of the License Terms is 1000 Euro, unless the damages were intentionally caused by Defenselayers.

6. LICENSE TERM AND TERMINATION

- 6.1 The Licence is granted for an indefinite term..
- 6.2 Should the Client infringe the License Terms, Defenselayers reserves the right to immediately terminate the License.

7. GENERAL PROVISIONS

- 7.1 The following License Terms constitute the entirety of the representations made by the Parties in relation to matters regulated within.
- 7.2 Should one or more provisions of the License Terms be or become null and void or ineffective, it shall not impact the validity or effectiveness of the other provisions. The null and void or ineffective provision shall be replaced with a provision closest to the goal assumed by the Parties.
- 7.3 All notices and correspondence in relation to the License shall be performed electronically.
- 7.4 The following License is regulated by Polish law and shall be interpreted according to its regulations.
- 7.5 Any disputes arising from these License Terms shall be resolved by the common court the common court territorially assigned to the seat of Defenselayers
